

Electric Snow Clearer

Optional liquid-de-ice container (13 ltr. / 3.4 gal) and spray equipment

ES230

Optional 50cm/19.7" sweeper with integrated 500w / 0.67hp motor and lithium-ion high-performance 36v, 16Ah battery

The beauty of winter should be enjoyed!

Don't spend your time pushing your snow. Bring fun to your everyday winter life and discover how easy and how much pleasure you can eliminate the snow. Thanks to our new ELECTRO snow clearers, snow pushing becomes a winter pleasure.

The newly developed ELEKTRO snow shovel from PowerPac allows you to clear sidewalks and other snowy areas without breaking your back. A powerful drive motor, a solid powder-coated steel structure and a scavenger plate made of stainless steel ensure a long durability. An adjustable shield position completes this innovative snow-clearing device.

**Technical Data
ES230**

Drive	Battery
Voltage	24 V
Power	230 W / 0.3 HP
Climbing Ability	35% max.
Torque	89 Nm / 63 ft.lbs.

Operating data	
Weight	28 kg / 61.7 lbs. (incl. battery)
Tilting device	Mechanical
Travel time	Approx. 3 - 5 hrs
Runtime Broom	Approx. 2 - 3 hrs
Working speed	0 - 3.5 km/h / 2.2 mph
Front Tires	4.80-8

Standard
Maintenance-free Battery
24V / 10Ah charger
Hub Motor
Stainless steel shield 740mm/29.1" with rubber strip and adapter

Optional Accessories
- Basic machine with battery without attachment
- Sweeping broom 50cm/19.7" with integrated hub motor 500 w and lithium-ion high-performance 36V 16Ah battery
- Liquid-de-icing container 13ltr./3.4 gal. and spray equipment
- Snow Chain

Battery withdrawal without tools

Finger lever with infinitely variable speed regulation On/Off switch

Powerful 230 W motor

Optional with 50cm/19.7" sweeping attachment incl. integrated 500W motor and 36V 16Ah Lithium-ion battery
